Terms & Conditions

Postage United Kingdom

Inland orders must add: £1.10p for 1st class post (Totally at your risk). £1.75 for Recorded delivery. £6.50 for Special delivery. Orders over £150 (After discount) sent Special Delivery post free.

Postage Overseas

Postage on orders up to £150. Ordinary airmail (Totally at your risk) @ £2.50. International signed for @ £8. Airsure @ £8.50 Orders over £150 (After discount) sent International signed For or AirSure post free (Depending on destination). No VAT is deductible from overseas orders.

Discount

10% on orders between £50 and £150, 15% on orders over £150.00 (If an item is unobtainable, discount is not applicable to that item). Discount is given on the total amount of the order supplied. This includes any item(s) that may have to be backordered if currently out of stock but is available through other sources. Any item in stock at time of ordering will be supplied at list price. Any item out of stock may be subject to change (Up or down).

Payment

PayPal, Credit/debit card orders can only be placed on the web site through the secure server as I am unable to process card details from this address. If you wish to pay via bank credit transfer please contact me for details.

Abbreviations/symbols found in lists

Green phosphor (B1 phosphor)	Lettalite B	OCP = Original coated paper
B3 violet phosphor (Photogravure only)	Terephthalic acid	FCP = Fluorescent coated paper
SA phosphor (Lithography only)	Sulphanilic acid	PPP = Phosphor printed over paper
A phosphor (Photogravure only)	Lettalite B8	PCP, 1, 2 = Phosphor coated paper
'C' fluor (Photo and litho)	Yellow fluor	ACP = Advanced coated paper
'B' fluor (Blue fluor) (Photo and litho)	Short wave only	OFNP = Optical free non phosphorised
'B2' fluor (Novaglo blue fluor) (Photo and litho)	Short and long wave reaction	OFPP = Optical free phosphorised paper
OBA = Optical brightening agent		PVA = Polyvinyl alcohol acetate
		PVAD = Polyvinyl alcohol acetate dextrin
		PSA and SA (Gums used on self-adhesive stamps)

Printing processes for stamps printed photogravure

Printer/photo	Printer/gravure
Acid etched engraved plates	Electro mechanical engraved plates
† = Stanley Gibbons specialised catalogue pane/coil number	‡ = Deegam catalogue pane/coil number

Off centre stamps described as: O/C, centred high, centred low, centred left etc.

Stanley Gibbons 'Great Britain Concise' catalogue numbers

Concise numbers are listed thus **Concise number between asterisks in italics in the lists. If you use the Concise numbers to catalogue your Machins you must still order the stamps using my order number (and not the Concise number) this will ensure you receive the correct stamps. It will also ensure you do not duplicate your collection should you ever decide to specialise to a higher degree in the future.**

Authors, printers and their respective numbers used in my lists

Stanley Gibbons © Specialised Decimal Definitive Issues.

Stanley Gibbons © Great Britain Concise Stamp Catalogue 2008 edition.

Machin Collectors Club Specialised Machins Catalogue

Machin Collectors Club Stoneham Catalogue 14th edition.

D. G. A. Myall © The Complete Deegam Machin Handbook.

DP © numbers are the copyright of MBPC and are used with their permission.
